

generative calendar 2024

by hetvi

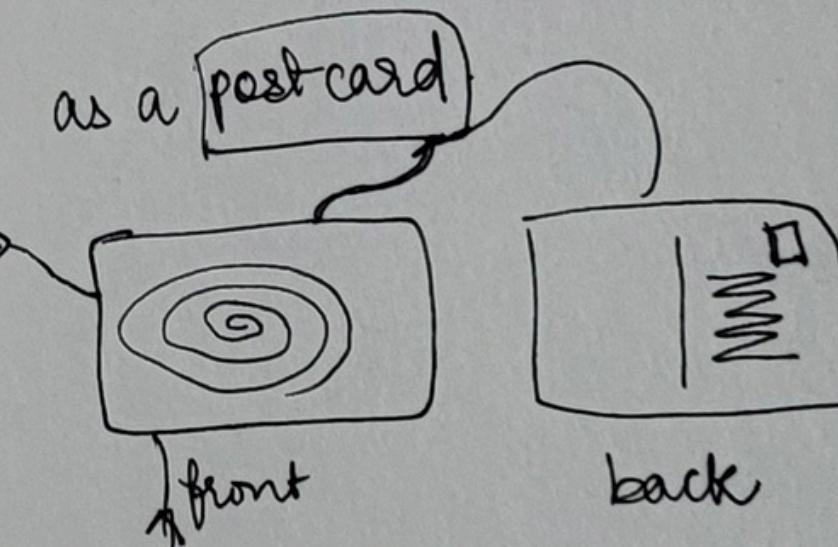

it's a quick, little exploration of time,
i'll be very brief this time around :)

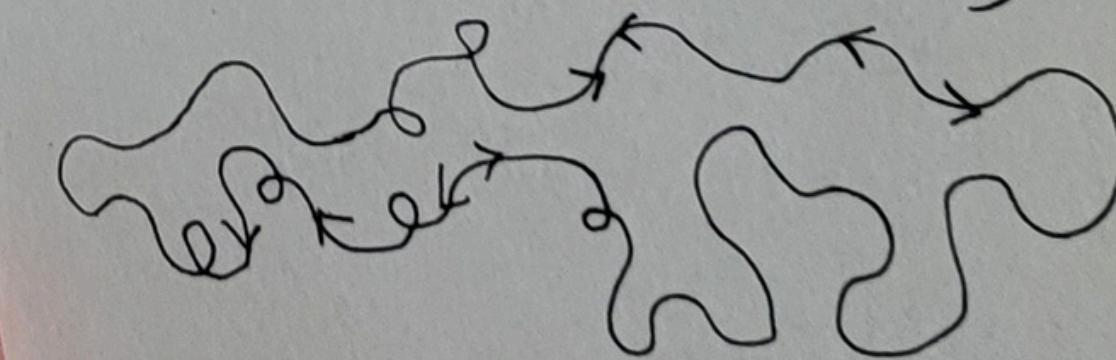

Songs → Audio → FFT spectrum as rings
 Songs → Video → Colours sampled from "Max" palette at each frame

Raza // Tree Rings
 Aging // music ↔ time
 Non linear loops of time;

slow nostalgia mobility
 a way to travel back & forth in memory & time

{ calendar
 + songname :)

concentric fast fourier transform visualization of songs i
love, with colours sampled from the music videos
