this calendar was made by me using p5.js. my code randomly generates each page- so what you see is one out of more than 2^{420} possibilities (no, i'm not making that number up :p)

the palette for every month is inspired by the work of some brilliant queer & fem artists listed below in order

clementine hunter // souhila belbahar

zanele muholi // mari katayama

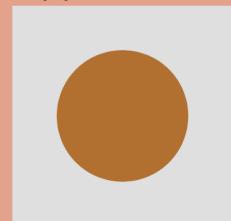

allyson mitchell // chitra ganesh

leilah babirye // kawira mwirichia

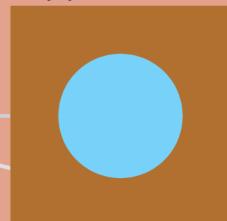

ledania // carla arocha & stéphane schraenen

rusudan petviashvili // hannah quinlan & rosie hastings
